Dear Mr. Lamb,

I have just returned from Washington, D.C. with the Close Up Government Studies Program. I am the Social Studies Consultant for the Macomb Intermediate School District servicing the 21 school districts of Macomb County, Michigan. For the past ten years, Macomb County high schools have sent from 100 to 200 students and teachers to our nation's capital for this unique educational experience.

I would like to thank C-SPAN for the exciting educational partnership that exists between the Close Up Foundation and the Cable Satellite Public Affairs Network. "Close Up on C-SPAN" programs, seen nationally, are an extremely important instructional resource. They give students, teachers, older Americans, and home audiences across America the opportunity to share, and often participate, in the expanding number of Close Up programs.

Thank you for the productive relationship you have shared with Close Up for so many years.

Sincerely,
