Dear Sir.

I teach Japanese History at [redacted]
[redacted] in Fort Washington, Pa. Tonight
I saw the last part of the last 4 part program
you have done on Japan. Would you please
send me the transcript and the procedure
by which I might borrow or purchase the
tapes on Japan. Also any other information
or materials you might have on Japan. I
know that my students in my 12th grade
Japanese History course would be much
appreciative. We have an exchange program
with a high school in Tochigi, Japan which
is one reason we are so interested in the
responses of the Japanese university students.

All of us at [redacted]

would be thankful for anything that you
can do for us in this regard. We also
teach the Japanese language at our school
which is an indication of our commitment
to further the understanding between Japan
and the United States.

Thank you for your help,

Fort Washington Pa 19034

You may send the materials to me at
school (the above) or to my home address on
the reverse side.
