Help Help HELP

OCI in Gainesville is dropping
C. SOON-

I need your help to rectify
this. I visited the local
Office. Left a card for them to send
to the Powers that be. Called
the 800 #.

Could I get you to compose
a letter and send to me regarding
this change. This I would copy
and add my comments and present
to the City Council. Also send
copies to the Powers that be at
OCI. I did need their address.

Help Please

SASE enclosed

I've watched C-SO for since it
came on here several years ago.
Can't get much else done. Don't
need to as I'm 72 retired from
SBC.

Have been a political hack
since Civics classes in high
school. Been a legislative rep
for CWA Union and AARP.

Cheer word about your people
They are excellent. Were I teaching
a class in broadcasting - This one
channel I'd require them to watch.
All of them get an A+ from me.
You too of course.

Please help me and I'll
do all I can as promised to
get C-SO back on in Damesville
Texas.

Thanks
