Dear Sir,

I am writing to tell you that Mrs. [REDACTED] and I enjoy the BOOKNOTES program more than any of the C-SPAN programs which we can receive here in Pensacola. We try to see it every week.

The choice of books to be discussed has been excellent. We like the format wherein you permit the author to talk at length. We hope that this program will be continued long into the future.

Very truly yours,  
[REDACTED]
