Dear Good People of C-Span,
Everything you do is
fine with me, usually,
Sometimes my eyes cross
and glaze over when the
mean people repeat their
hate against "liberals" and
"the Media". When we were
young we sometimes said,

"Say it again
and then sing it."

I like your
new "room" and
I love the things

The C-Span bus
is doing.

It is difficult to stay Lazy,
lately, being a lifetime Democrat.

The Republicans say that
every program that was
set up by Democrats has
failed.

My parents worked for
getting Social Security,
my Age Group worked for
Clean and safe environment
and working
Conditions. We
would like
better education
and Health Care
for all
People.

3.

I am not happy about Clinton for several reasons, but what are we to do?

Clinton did not even listen to Marcy Kaptur and David Bonior when they told us that Nafta was not good. Bradley did not listen either.

The Republicans I know are saying that they are getting revenge for NIXON,

Bork, Thomas etc. but they never get over their anger.

Do Not Change!
WE LOVE you all.

Sincerely,
