

2-15-94

Dear C. Spon

God Bless you for
the Jerry Brown Show.
I love your format, but
especially today. Why
don't our Senators and
Rep start representing the
middle Americans and
find a way to get elected
without such a waste of
money to get elected. No
wonder they don't care
about the "People". We

don't want a handout
just Truth Accountability
and Justice in Wash
Yours truly

Sam Jone
