Pleasantville, N.J.

Dear Ms. Armstrong:

I recieved your card but I noticed that C-Span is still giving all the credit in the Gulf to the damned Officers, while our Enlisted men die over there for the likes of Shell, Exxon, Mobile, Gulf, B-P. Amoco and aica

Also I see you still back the Japs. Who bombed "Pearl Harbor" on Dec 7, 1941 or did you forget? Like the people in Hawaii and 7-11 in N.J. did, and the scum bag that buys Jap cars.

Well it is a shame for what we have running this from the Pres to our
(over)

Mayor here who is like
Boss Hogg on Tvs "The Dukes
of Hazard" He acts like
it. He does nothing about the
Drug Problem here in P.ville
Our Gov. who is for killing
babies before they are born
while he allows the Drug
Pushers and Murderers and
Rapist in Trenton go free. Who
the Jury gave the Death
Penalty? He has over taxed
the Seniors and the poor of
N.J.

The Vice - Pres. who is
a Draft Dodger in Nam. and
his Boss Mr. Bush whose Two
Sons have cost you and
other tax-payers Millions
with their Crooked - ness in
the S & L Scandal. Our
Senators here in N.J. who

II

believe we should allow
our children and yours get
killed for the Oil Co's and
the rich, including Mr Bush.

Put these things on your
C-Span program, I dare
you. I believe yours and
C.V.V. are as big a program
that people can believe in,
or do you lie on T.V. and
be a Commie like C.V.V.
and Commie lover Jane
Fonda.

If you are as American
as you claim to be get rid
of the Gaps and Commies that
you back now.
