

## Why I watch C-Span

Realizing there are many young people that watch your programs on the laws and issues that arise, you must realize in the family circle with only one t.v. They do not have the opportunity for little time in the evenings to watch these programs so we have to depend on those senior citizens who have the education to understand.

I would like to say after all these years we have come a long way. I can remember when there was not even a radio; much less t.v. and cable. Its like communist and atomic bombs; life is more complicated each year.

My schedule on t.v. each day is usually this.

- Cable -

- #1 - Channel 22 news (6 a.m.)
- #2 - Channel 5 Phil Donahue (9 a.m.) "Sometimes good"
- #3 Channel 12 700 club (10 a.m.) good information 1st. half hour as I belong to every category in St. Augustine you know I believe.
- #4 Lunch time and channel 9, for a rest and the price is right and everyone has a chance to win dumb or smart. (11 a.m.)
- #5 - Channel 9 and "Local news." (12 a.m.)
- #6 - Channel 19 or any channel that is not one of those club shows that drag on and on. (1 p.m.)

#7- I have watched the news on a-22 and now it is time to shave and clean up to go get my daughter at school. (2:30 p.m.)

#8- From 3 p.m. to 5 p.m. I don't watch t.v. I belong to 21 organizations and I use this time to make my telephone call's.

#9- 5 p.m. channel 9 I watch people's court,

#10 5:30 p.m. "Local news," channel 9. - only-

#11- 7 p.m. - Daughter 10 and I watch the Tic-Tac-Dough. She is very good, 50 points ahead - because of movies and stars.

#12- 7:30 p.m. Wheel of Fortune, [redacted] and [redacted] try to beat me and usually do.

You must realize that a 10 year old girl can not watch a lot of programs on channel 21 and 25, so I don't have any choice but the regular channels; although these do have some wonderful programs that at age 65 and in the World War II you must understand; and I think there true when there not cut.

#13 8 p.m. - Whatever show [redacted] and we watch. Yes I have 4 t. vs. but her and I and [redacted] are buddies.

#14 9 p.m. - [redacted] goes to bed and I can watch anything on cable.

#15 - [redacted] goes to bed after  
the 11 p.m. news. Sometimes  
we watch the Alfred  
Hitchcock show.

#16 - Cable is the most  
wonderful thing for me  
as I am involved in  
many organizations and  
have the time and news  
that many don't have  
the time to see. I hope  
someday the Senate will  
be on t.v. the same as  
the representatives.

Maybe someday you  
will be able to put our  
representatives from our  
great commonwealth.

P.S. - I have remote; and I

can turn off all  
commercials.
