is proud to present a greatly expanded portrait series: 80% more choices than in catalog #2!

As you leaf through this catalog of almost 600 designs, you'll notice that we have an excellent selection of the famous and the obscure in many fields: philosophers, authors, artists, psychologists, geneticists, physicists, tycoons, composers, explorers, politicians and other sorts of historically significant personages. We'd like to hear your suggestions for inclusion in future catalogs.

All designs are available as either buttons (pins) or magnets. The buttons have jeweler's clasps to prevent snagging of clothing and to anchor them securely. The magnets are backed with strong magnetic-strip and are capable of holding several pieces of paper on your filing cabinet, refrigerator, etc...

PLEASE NOTE: ALL PRODUCTS HAVE AN IMAGE SIZE OF 2¼ INCHES IN DIAMETER. THE ILLUSTRATIONS IN THIS CATALOG ARE 65% OF REAL SIZE. So, when you order, expect to receive something considerably bigger than what you're looking at. Our logo on the front cover is approximately actual size. Portraits are printed in black and white; line drawings are printed in color or on a variety of colored backgrounds.

Buttons cost \$1.50 each. Magnets cost \$2.00 each. These prices include handling, shipping, and guaranteed delivery. Most orders are shipped within 5 working days of receipt, but please allow 4 weeks for delivery. The minimum order from this catalog is \$4.50. On orders of more than \$50, you're entitled to a discount of 5%; on orders of \$100 or more, you may take a 10% discount!

The overwhelming majority of the items in this catalog are available only by direct mail order from Buttonworks. As you look through our catalog, keep your friends and their special interests in mind. Here's your chance to buy inexpensive, on-target gifts for everyone you know, including yourself! We can also ship button gifts directly to your friends. List special mailing instructions on a separate sheet and attach it to the order form. Three item minimum to each separate address.

Enjoy the catalog. We hope to have the pleasure of doing business with you soon!

SUPPLEMENT #6

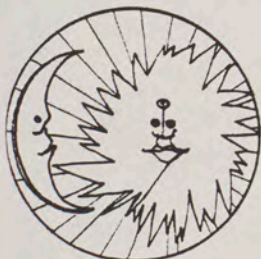

SUPPLEMENT 6, issued in fall, 1992. A "complete catalog" now consists of this supplement and Catalog #3 (on newsprint). Please remember that all items are actually 2-1/4 inches in diameter - about the size of the  logo above.

This supplement contains lots of additional illustrations and many interesting augmentations of our portrait database. Two pages of entirely new (since Supplement #5) designs appear immediately after the order form. We'd like to encourage you to buy lots of these for yourself and as gifts for your special friends!

All designs are still available. Prices remain the same. What has changed is: (1) We've dropped out as Visa & MasterCard merchants; the charges would have forced us to raise our prices; so, you can no longer charge your orders; payment must be enclosed. (2) The minimum order is now 5 items. (3) For overseas customers, the minimum order is 10 items; payment must be in U.S. funds; airmail costs an extra 10% of "Total Amount" on order form.

Tell your friends about  Even better: buy them all little gifts which show that you recognize who they are. Put your complete catalog in a safe place; as you know, we don't inundate your mailbox with repetitive copies. (Of course, a new copy of the catalog is still enclosed with each order -- so don't be afraid to rip out that order form and send it in!)

Your thoughts, comments and suggestions of additions are always welcome. So: Order soon! Order often!! Order big!!! Have fun!!!!
