

~~Dear~~ Susan, 1-10-99

You are so dishonest, it turns
my stomach. You keep far
left Liberals on the phone by
asking all kinds of questions of
them. You can hardly wait to
click off Republicans. I hope
you pay for this someday.

If you don't, we're all doomed.
The majority of the calls are
Liberal. You love to read Mousen
Dond because she's anti Repub.
The fake Repub. should be
ashamed of themselves. I think
the so-called Repub. are really
far left Libs. They are lying
about their party. The stupid
Lib. who criticized J. Thurmond should be
ashamed of herself. What C-Span I
& II have done to the Repub. Party
is sad. They are decent honest peo-
ple for the most part. But shortly
after the Repub. won in 1994, C-Span
(Wash Jr) allowed the Libs to say ter-
rible things & even to lie about Repub.
Also, the Repub. & Libs were not on
equal footing. FNC is the only fair
Channel.
