Thank you for the coverage on
the Keating 5 Senators.

It is very enlightening to see
all the corruption going on in
our government.

However it was good to hear
the testimony of Edwin Gray
& how he was badgered and
treated unfairly as far as I
could see he was a very
honest man and I commend
him for that. The poor man
tried his best in that job
he had but was stopped
at every turn. I think he
was a scapegoat for all their

Cousinings.

Thank you
