C-SPAN

Gentlemen:

I was watching C-SPAN 2 on June 24, 1993 when the following captions appeared on the screen:

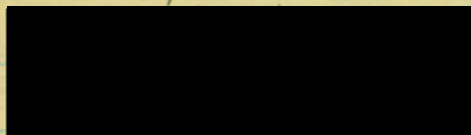

"LOLE CALL VOTE"

"Motion to Waive the Budget Act with respect to the Dole Amendment to S 1134, the Omnibus Budget Reconciliation Bill"

This told me absolutely nothing and they could have been voting to cut Clintons' salary in half and double theirs for all I knew.

Your programs would be of more value to the uninformed listener if your captions could give us more understandable information.

Sincerely
