Dear C-Span

I'm writing this letter in hopes that you can get the cable company down here to put C-Span 1 back on the air. They have C-Span 2 but I like the other one better. I like the call-ins I called the cable cop. up and the only thing they did was to get my name & telephone No.

I would appreciate anything you can do.

Thank You  
I'm down here 6 mon. out of the year.
