

Jennifer Haszlo not only has educational dislexia, she has Political dislexia, in that she, like all her bleeding heart, tax and spend, throw money at it, Liberal politicians, is dead wrong! One needs look no further than the results of 30 years of liberal feel good, do your own thing, no box methods to see how utterly wrong our educators are! If throwing money at the problem would solve it, then Washington, D.C. Schools should be the best, when in fact they are some of the worst! Even when private sector efforts are discussed, Haszlo would have government involved up to their necks! What a sad, pitiful, foolish Liberal idiot she is! The know-it-all Gall of liberals is disgusting! Haszlo is a big government, tell everyone how to live type, when she is the poster child of floundering dependency! GAB! PKE!
