

Dear C-SPAN,

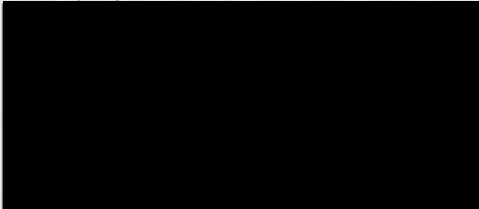

2/8/98

Thanks so much to C-SPAN for giving air to third party views, when no other news organizations will.

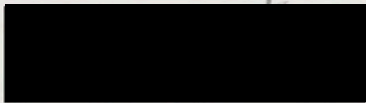

We'd like to see you to take this a step further and invite Russ Verney, Pat Benjamin, Pat Choate or other Reform Party spokespeople as regular guests on Washington Journal and other interview shows on C-Span.

Let the Reform Party share its new ideas and another perspective with your viewers! As Ross Perot did in the '92 elections, the Reform Party will force the 2-party monopoly to address and debate issues critical to the future of our great country.

Thank you,

S-1103
