

Dear G-span,

There is a woman who keeps calling on the Liberal line on Wash. Journal from Destin, FL. This woman seems to call weekly or more frequently. Her voice is readily identifiable and she is hogging and abusing your call decorum.

I suggest you play the tape on 7/16/98 @ approx 7.40 AM for all screeners and moderators to listen and familiarize with this voice.

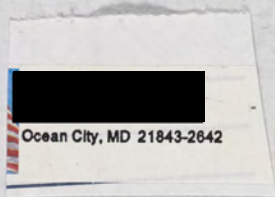

This woman should be banned indefinitely for her flagrant abuses.

If I'm smart enough
to recognize this, I
know C-span 15.

Lets be fair and
get rid of this problem.
