

I am another C-SPAN Junkie
whose enjoyment is being diminished
by the Clinton-bashing and other
"hate-calls" becoming prevalent
among your "callers-in". I can't
phone in because when I watch
TV ^{the phone} is out-of-reach, & if I try E-mail
my WEB TV cuts off the phone.
But I welcomed the calls this
morning (Dec. 24) complaining
about ^{the} degrading phone calls
you get. (I don't like the radio
call-ins either).

I too sometimes turn off
C-SPAN because much as I
love it, I can't take any more.
Yes, you must permit "free
speech" - but if you can
~~find~~ ^{FIND} a way to cut down on
gratuitous insults, I'd like that.
Too.

Sending You a World of Good Wishes

to all your wonderful
Staff

UUSC is an independent organization that advances human rights,
justice and peace in the United States and around the world.
