Gentlemen and Ladies:

Your series on the "Presidents" is  
marvelous. I have seen many  
of them and I could see some  
parts of others.

I have been so inspired by your  
presentations that I wish to see  
all of the sites, if there are  
Libraries, Homes or Museums  
open to the public.

Please send me the addresses  
of the sites of the following Presidents:

1. Andrew Jackson
2. James K Polk
3. Zachary Taylor
4. Andrew Johnson
5. William Henry Harrison
6. Benjamin Harrison
7. William McKinley
8. William H Taft
9. Warren Harding
10. James A Garfield
11. William McKinley

I would deeply appreciate this information - I plan to visit these sites soon. If there is a charge for it please send me a bill. I do not have access to the internet.

I have now visited 9 museums, libraries & homes of our Presidents.

Thank you very much for the great series and for your attention to this request.
