Programs coming home to roost.
The Programs fed reelections
year in + year out ——
result Deficit of today.

Incumbants in control 35+
yrs protected themselves by
"Special Interests," Part of
"Iron Triangle," as Former Pres.
Reagan called it. He was
and that he was held up
by Iron Triangle & could not
reduce Deficit.

Watched Pres. Gorbachev address
Congress. Loved it as Quated
Mitchell + Gephardt were
nonplused & when finally
Pres. Gorbachev remarked +
pointed to Congressmen lined
up quote, "You are the Problem."

I'm sure he (Gorbachev) fine
tooth combed Congress + its
to take over Foreign Policy too!

It is obvious to me our people see Congress in a way they are helpless. Most frequent comment is "With them in Control what is my Vote worth?"

I listen & write/can't write too many letters, but use cards as I am wanting them (Congress) to know my Vote is not (Liberal).

Born [redacted] I've seen plenty go over the Dam. Now I became a Conservative at 1st Vote is interesting. In booth for 1st vote I guess I looked strange lost etc., Approached by monitor who asked if I needed help, "I said I haven't yet decided how to register
