Dear Sirs,

This morning at 6 AM I called your
offices in Wash to inform you I am
a 9 yr viewer of C-SPAN I and a 3 yr
viewer of C-SPAN II, and even though
your Round Table program every Friday
is very early here in Calif, I have set
my alarm for 5 AM every Friday to
view it and call in periodically. But
now I will no longer get up to view
it after today's program due to
listening to your 3 "Backway Bound"
Downrightists, who "passed" on approx 10
questions from viewers. I understand the

logistics involved to get people to your studio
but to constantly hear the views or non-
answering of questions from viewers or
your excellent hosts, I am afraid I shall
in the future tune in and if I see another
Roundtable composed of "Backway Bound"
Journalists I will tune out, go back to
bed and get 2 more KRS sheep. I'm sorry
to do this, because I really like both C-SPAN I
and II and have been a faithful viewer of
all your programs. If you care to contact
me I am [REDACTED], at [REDACTED]

Tel [REDACTED]. Thank you for your
attention in this matter [REDACTED]
