Dear Brian:

There are some things about television
not everyone knows.

I live in a mobile Home Park and like
many others, there is a rule that
prohibits tenants from having any
outside antennas. Rabbit Ears etc do
daddy.

Therefore if we want TV, we are
forced to buy Cable.

I watch your program all the time,
but have given up trying to call.

We still have C Spear but might
lose Channel 2, 5, 11, and 13. I hope not.

Keep up the good work.

Very Truly Yours,
