Dear Mr. Lomb:

You may assure your  
viewing audience as much  
as you wish to the contrary,  
but your programming  
offers more forums for the  
conservative viewpoint than  
for the Democrats. Your  
partisanship is showing.

P.S. Susan is surely competent  
but perhaps a little spontaneity,  
perhaps an error now  
and then might make her less  
robot-like - a little less  
sneaky seeming.
