The best programs most of
the time!

However, last week were
the worst programs from
the radio stations — worse
than Rush Limbaugh!
But it was a good thing
to let us get a taste of
the worst, so we can
really appreciate C-Span
PBS in Wisconsin has
wonderful call-in programs.
If we are going to be
influenced by all the
crap on TV & radio,
we are in great trouble.
If our young people are
listening to Rap Music
and the Rush Limbaughs
- the Bob Dole's (who are so
~~mean~~ vicious & negative
& heartless to continue
their negativism through
the death of a mother)
then we are in trouble.
