Why is C-Span having  
"Technical Difficulties"  
so frequently — and it  
always happens at the  
end of one of the question  
and answer sessions with  
Democrats who have called  
press conferences — i.e.?

- ✓ Senator Daschle, Fri. March 3
- ✓ Rep. Bonior, Wed. March 8
- ✓ Senators Conrad and Dorgan, March 1

I didn't see any "Technical Difficulty".  
Do you need new equipment?  
Something smells! I think the  
questions got too hot for these  
Democrats, and (over)

C- Don cut off coverage of that  
portion to save Democrat face.

P.S.

I'm writing my rep.
