DEAR C-SPAN:

JUST A NOTE TO SAY THANKS FOR Your hard Work + good programing. I've LEARNED A LOT FROM Watching House + Senate programs.

I Thourghly enjoyed the SENATE ETHICS Hearings. My Question: "IS THERE ANY WAY THAT I COULD GET A TAPE (VHS) OR WRITTEN COPY OF THE LAST DAY OF THE HEARINGS?" PLEASE! I MISSED The closing Arguments or Comments. I kept waiting For The Rebroadcast BUT Saddam Hussein Kind of Stopped that.

I would Like to Comment ON Mr. Robert Bennett. He did a Fantastic job. Some folks kept saying he was Acting Like A prosecutor, I think he had A Tremendous Responsibility, A Very "touchy" Situation dealing with Senators. I would Like to have seen how ATTNY. Mr. Hamilton would have handled it had he been in Mr. BENNETT's hot Seat.

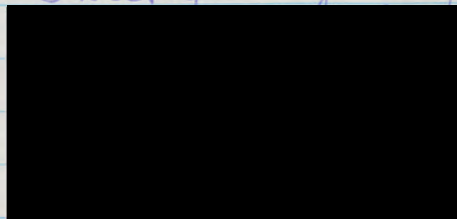

The old saying "Where there is Smoke, there's usually Fire" I think hits the spot.

There's one thing You CAN SAY
About Mr. Bennett, He Showed "HUGE"
Respect For everyone, And that's one
BIG thing You CAN'T SAY For that
"Smart-Mouth" SEN. Dennis DeConcici,
D-Arizona. It seems to me, He,
of All people should have been More
Respectful. I Truly believe he's
guilty of unethical behavior.

Please Let me know About A copy
of the Last day of the hearings.

Thanks For Your time.

Sincerely
