Sir,

Your Coverage of the impeachment trial, in which you gave telephone numbers in which acquittal, conviction, and undecided were listed. I tried to get on the conviction line for a constant 30 minutes. Each time the line was busy. How successful and fair is a jammed line? Because of that I didn't get to express myself.

Did you ever think that the Secret Service was put in place for the safety and protection of the President? What if the woman had been a special agent of a Foreign Government???

I'm a WW2 Vet, and I'm disgusted, disheartened, and wonder sometimes how one man can cause such a turmoil in my beloved Country. Trouble has followed him everywhere.

Sincerely,
