C-Span

Dear "All of You"

Thanks for such an informative program - You have spoiled all of us absolutely rotten! We expect other T.V. outlets to upgrade their reporting - we can only hope.

I have one big problem - I cannot get C-Span II. I don't know how many of us are in the "same boat" - Our local TCI Cablevision of Washington leaves a great deal to be desired - I wrote to Mr Spuk, Gail Ng, and he doesn't care to reply - It was two months since I mailed my letter - perhaps I haven't waited long enough - !!

We appreciate the times you provide us with the Senate sessions - it is a real treat - only wish you could do it more often.

This P.M. - at 11:00 the Senators
were discussing the "Keating V" - you
cut it off before it was over.

You do such a splendid job of
broadcasting it is difficult to criticize
anything you do or don't do.

Are our cable systems subsidized
by the federal government?

Thanks for listening - and
if possible please let us have more
Senate procedures.

I'll try writing to TCI again -
it's like hollering down a rain barrel
except there's not even an echo.

Sincerely,
