to believe it may concern —

On Mon. Dec. 21 why T. Oliphant on C-span
twice in one month? Has the pool of left-leaning
columnists dried up? Doesn't seem to be the
case to me. And whatever happened to Deborah
O'Brien? She is an intelligent national speaker
person for the conservation of the country
and hasn't been seen for months. Has she
gotten out of this glibby business?
