

C-span mgt.

I've always enjoyed c-span
but it looks like you've
become the propaganda
demonstrator for Serbia etc.
It's clear it is a govt TV not
free media -

I need bypass your channel
& miss your usual superior
information - I can now call
c-span the Peter amett of
cable (who can finally find)

O. Kosovo

The City College of New York * CUNY * 150TH ANNIVERSARY
