dear sirs:

I liked the
~~unprecedented~~^{sent} coverage
(spelled right I hope)!

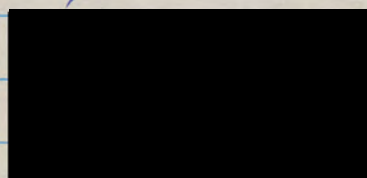

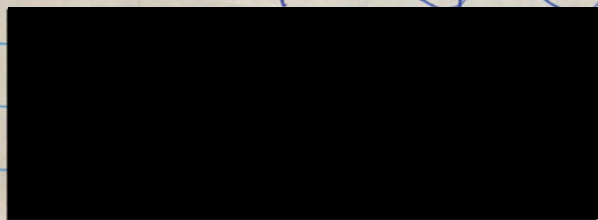

of the elections
on "Election Night
1990" (if possible

put some of the
T.V. stations on
air, come back with
returns)! I

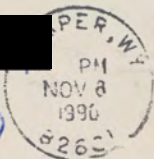

enjoyed learning
about the "Universal
City" fire, the tem-
perature in Raleigh,

W. Caroling & especially
on a night
tonight (in Wyo.)
(where it was like
a freezer! (also)
(next yr.) (put T.V.
programs (for
NBC) (a day later)!
Do it (again) next
year!

Sincerely,

Casper, WY. 82609
