

Dear Mrs. Lamb, - Brian

Mrs. Farkas, C-SPAN, American

Presidents Producer said to you (Washington  
Journal 3/12) "What we know about  
President Jefferson, now." I would imagine  
Mrs. Farkas was insinuating, President  
Jefferson did, father slaves. There is  
not one shred of proof that Jefferson  
ever had a sexual liaison with any  
slaves, much less father slaves. A Black  
lady and an Englishman wrote books  
on Jefferson's, fathering of slave off-spring;  
but these two book writers admitted,  
"We don't have a sample of Jefferson's.

O-AmerPre

D.N.A. / R.N.A., it's impossible to verify any Jefferson, off-spring, born to any slave."

Let's stop this revisionist history, that equates all of our past presidents, as promiscuous as this current president, who will live in infamy as President Erection / Career Thug / Traitor.

Sincerely,

P.S.

President Jefferson's fathering of slaves is without proof, it's a theory and only a theory, to lump all past (honorable / moral) presidents into the same mold, as Barf Bag Billy Clinton. NO REVISIONIST HISTORY-AKA-LIES
