Washington Journal:

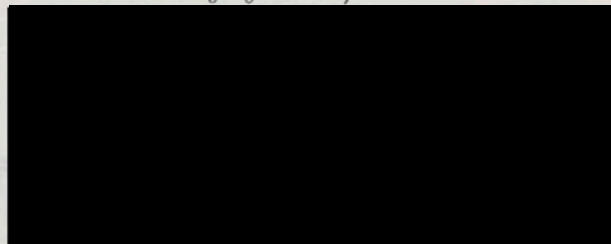

Dear Brian,

How typical of the far-right reactionaries to say that giving equal time to Liberals and Democrats is "unfair"! THEY want to destroy all opposition and to dominate America and the world. DON'T LET THEM INTIMIDATE YOU!! Their silly cliché, "Politically correct" is a joke. As Miss Manners said to Mary Matalin, "Do you DEFEND hate speech?". Actually, we are MORALLY CORRECT, and the bigots just can't stand it.

And their Big Lie about the "Liberal Media" is an even bigger joke. Oh sure, I guess that they are afraid that the press is not villifying and crucifying the Clintons enough. THEY want to see their lies, dirt, character assassination and mean~~ness~~ given even more coverage and doubted by no one. Presidents Carter and Clinton have been severely criticized by the news media, and actor Reagan got a very undeserved free ride. "Liberal Media"? More Big Lie.

Radio and call-in shows are DOMINATED by the ignorant and the radical-right, and they will play every dirty trick to try to keep it that way. Let's talk about real and important issues and enlighten the voters this time.

Sincerely yours,

Redwood City, CA 94062
