Dear Sir:

I would like to purchase a copy of the tapes you have on the Thomas-Hill hearings. Please inform me if you have them for sale. I especially want the tape of the panels after the four Anita Hill panel supporters.

I watched the original, then rewatched your reruns of the testimony. It was fascinating watching this "real-life" soap opera. Who was telling the truth (inconclusive), and just what is sexual harassment (I still don't fully know).

Enclosed is an envelope for your return answer.

Sincerely,
[REDACTED]
