Dear Mr. Lamb:

I can't believe that you and Lisa Myers had no idea of the origin of some of the questions coming in to your program the other day. These questions in re to V. Foster & White Water are inspired by a certain overstuffed talk show host. This host attacks & ridicules the President and his administration unmercifully and in very bad taste. After one of his tirades he will say, "these are the questions that must be asked". And like the little robots his audience

[REDACTED]

is composed of, they call
in to all of the TV shows
and ask these pesky
questions. This host wants
one thing & one thing only: to
discredit the President any
way he can and I believe
he won't rest till his goal
is reached — impeachment
of the President. I don't ob-
ject to constructive criticism
of course, but this host
is a dangerous man.
The best interests of our great
Country are not his — he
promotes unrest... a rabble
rouser if I ever heard one.
Sincerely
