Dear Sirs,

I am writing to you concerning the Project 93 March on Washington. It will be Sept 29th. At this time millions of signed petitions will be presented to Congress by Revoy Kidd. These petitions call for the abolition of the FED and the termination of the unconstitutional IRS.

I urge you to be there with your cameras. This is a public grassroots petition drive to show Congress that not all of us are sleeping, and willing to continue to let them enslave Americans. Too many of us know that while we sacrifice they live high off the hog.

Please be at the Capital steps at  
9 AM, Sept 29. If you need more  
information, please contact:

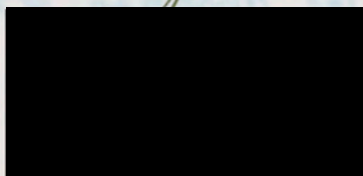

Lakewood, CO 80228

Thank you.

Sincerely,

Center Valley, PA 18034
