Subject: Journalist's Roundtable 9/10/94

Thanks. What a great program. And what made it so scintillating? BALANCE. BALANCE. BALANCE. I must admit that I have been a critic of the Journalit's Roundtable because I believe that the "main-stream" media is indeed "unbalanced to the left", i.e. philosophically they do embrace the tenets of big government, regulatory control and the higher taxes required to support that bureaucratic apparatus. Linda Wertheimer (NPR) represents that genre quite well. Ron Schafer (WSJ) is more of a centrist. And, of course, Malcomb Forbes is the quintessential libertarian/conservative. I think that this was your best show...ever. Keep it up. BALANCE. BALANCE. BALANCE. Thanks again.
