Dear Mr. Lamb,

Thank you so much for spending time with our Congressional Classroom students last month.

The goal of our program is to empower our young people with an enhanced appreciation for the genius of our system of government and to inspire them to future public service. Thanks to you, we feel we have achieved that goal. The students were very impressed by the fact that you interacted with them and they remarked to us how much they enjoyed the lively debate. You received very high marks on our student survey. The comments from the survey were overwhelmingly in praise of your style! A number of our students requested more briefing like yours!

As in the past, these students have written personal notes to you, which I have enclosed. Thanks again for the personal time and attention you gave to us. It means a great deal to all of us to know we can always depend on you to not only to get our students engaged, but also to help in expanding their educational horizons. Thank you so very much.

Sincerely,

Dear Mr. Lamb,

I am astounded and deeply humbled by your phenomenal accomplishments and your extraordinary network. I am so pleased that you actually questioned our reasoning and challenged us to think implicitly. I truly valued meeting you and wish both you and C-SPAN the best of luck. You can keep relying on my 5th annual donation!

Respectfully,

Dear Mr. Lamb,

Thank you very much for your active participation in the Congressional Classroom District 13 Program. I really enjoyed your speech and when you told me that one day I would go to Oxford, I was shocked because this past summer I studied there at St. Hugh's College. It was an amazing experience. Your speech was very motivating. You are an EXCELLENT orator.

Thank you very much,

Dear Mr. Lamb,

Thank you for taking time out of your busy schedule  
to speak with us today. I never realized how critical  
E-SPAN was or how it worked. I think this has been  
an invaluable lesson in being about our country's other  
turnout. Once again, thank you.

C-Span

Dear Mr. Lamb,

Ever since I was a little child, I have enjoyed watching C-SPAN. Whenever I am with my grandmother, we usually watch your network — politics is the one common thread that ties our family together, and your network helps to sew those threads together. C-Span allows us all to gain a better perspective on what is occurring on Capitol Hill. Thank you always for providing our nation with such an invaluable resource. Pine View School
