Hello. Mr Lamb of C Span

FEB 14 AMST

I have a few issues to write about that makes me very ~~Dist~~ Disturbed. I heard you on C Span Your and Rep David. Obey.

And, I enjoyed your conversation very much. I agree on most of it. Don't you think it is high time that the following issues are brought out in the open debated more upon, on call in programs, and encourage them to write more letters to there Reps @ so called Government to make understood that they do not like what they are doing to the American Elder, Poor, Disabled, and poor American children.

You know. feel that they are robbing the poor, and paying off the Rich, and the damn foreigners. Giving the damn rich a damn 30,000⁰⁰ extra tax break with the deficit as it is, giving our money to the damn foreigners, and taking it away from the American Poor, and needy is shit for the dogs. 2 the American Poor, Elder, and Children does not need. Medicare - Medicaid and Food Stamps,

(2)

And if the American working person does not need a decent minimum wage then we do not need congressional raises either and we should be able to know who votes for, and against these bills so we can vote for and against them.

I feel pretty let down when we vote for our people, then they serve the damn president in place of serving the American people.

If we do not need Government, We would not vote for Government. If we do not need controls, then we do not need Government.

I will tell you some of the things we do not need. We do not need Fuel, Gasoline, Heating Energy, rent, ~~etc~~ Food, etc. So "Damn" high we can't buy it.

We do not need a damn Hypocrit President giving all his rich budys all the breaks, and saying to hell with poor.

Any man who condemns the poor, And says no to service to the American people,

(3)

is not much of a Christian, a leader, a president, or anything else, he is no more than a damn rich tramp.

God said it is easier for a Camel to enter through the eye of a needle than for a rich man to enter the Gates of Heaven. And this is why.

We need controls on interest brought down to 10-12- or 13% and permanently froze, and fuel Gasoline and Diesel down to 75 or 80 cents and permanently froze. We need controls on all Utilities.

And Minimum Wage brought up to 7 or 8 Dollars an hour.

And the poor who are on fixed income Restore their Medicare - Medicaid and Food Stamps.

I hope you can find someone fit to vote for next election.

We do not need no damn Baby Killers, poor people exterminators, Radicals, Homosexual Lovers, a Criminal Lovers, we need tougher criminal controls.

(4)

We need someone to serve the people.
The president, nor money has
nothing to do with putting the
in.
The president, nor the money does
not elect them in.
It is only the people they are
supposed to serve.
Please do not come up with
something like Dukakis or
Jesse Jackson. Dukakis is
an Atheist, and Jesse
is nothing but a ~~Hypocrite~~
Radical - ~~Hypocrite~~.
You have not come up with
anything worth running for in
the last 25 years.
So how about coming up with
something.

Thank you.
I want to see Bob Dole, Nancy
Kassabian, and Jon Meyers.
All out this next Term.
Let us have a replacement for
Bush.

You may as well play Hitler and
shoot the poor, as take needs away from
them.
