Dear Brian:

Like probably millions
of other have been watching
your marvelous series on
the presidents, of course
some of those men had a
more colorful life than
others and for some reason
you showed Cleveland was
one of them.

Brian, do you realize
that because of you and your
interest in history, you have
rekindled such an interest
of not only people of my
age, but also school
children. please do keep
on doing this for us all,
and for the good of posterity.

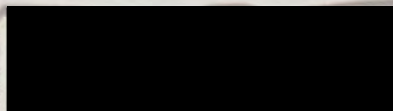

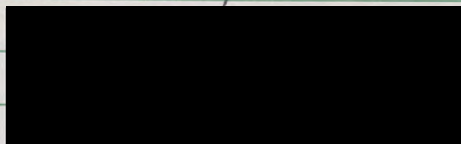

I think that we are
all starved for
such programming.

Brian, once again,
asking you a favor
would it be possible
to have a color
map made of where all
presidents were born, also
thank you for showing
the grave yards that I
mentioned.

Once again Brian thank
you for bringing Timothy
back to T.V.
