

My father, an immigrant,
would have loved Dole.
He, too, believed in hard
work and taught us the
same thing.

The era of lazy peo-
ple, expecting others to take
care of them, is over, I
hope. We should help
the people who truly need
help, but, all too often,
the ones who know how
to outsmart the system,
are the ones who get the
help. They know who they
are - maybe like Sam
Donaldson who wants the
Gov't to do what he can
well afford to do. Some
people never have enough
money - and they talk about
the Republicans.
All for now.

I'm going to be very
interested in watching your
portrayal of the Democrat
National Convention.

When the man called in
to ask why you don't go back
to the old system of call-ins.
It is much more fair.
But, of course, you won't be -
cause the Liberal idea of
fairness is being unfair.

This week, there have
been more pro-liberal calls
than Republican. How come?
Are you screening the calls?
You can't fool intelligent people
you know.

But you have fooled a
lot of people who say how

O-W R

-2- They'll catch
fair you are. As time goes by.

All of you Moderators are
far-left pro Clinton. You
are seething underneath, be-
cause things are going so well
at the Repub. Convention, and
it came thru loud and clear.

The liberal sour grapes
from callers - in was all
too obvious - also the
pettiness.

Today, ^{8/16} was the first day you
read from a Conservative Column -
Charles Krauthammer. It's also
the first day you had an
almost fair liberal commenta-
tor on - Scott Simon.

When callers - in call you
CNN, why don't you correct them?
There has to be a reason.

And then to put on the
left liberal foreign Press
is a joke. France, England
& Israel are Conservative.
So why not include their views.

-3-
We've heard that a lot
of European Countries are very
unhappy with Weak Pres
Clinton.

Why don't you have Dem-
ocrat Critics on who tell
the truth. Certainly, Dodd,
Stephanopoulos, Corville &
Ann Lewis don't.

The one good thing you
did was the cover the Con-
vention from gavel to gavel.
We're surprised you did it.
The far left liberals (chan-
nels (ABC, CBS, NBC, CNN)
did not. But they have
lost me & lots of other
people who don't trust them.

Because you had Dan
Walters (liberal) from Sac. Bee,
on for one full hour, why
didn't you have Paul Gigot
on for an hr. Was it because
he's a Conservative. He was
much more interesting than Dan.
