Dear sir:

This is a special request for C-Span to give ample air time for Mr James "B" Gritz, Presidential Candidate for 1992 Election, who by the way, is by far the most decent, honest, honorable, courageous man. Could this be the reason Mrs James Gritz has been "blacked out" by all of the major news media, etc??

The public demand all candidates to have TV coverage, as you and your network do not give any care or attention to any candidates except for Bush, Clinton, Bush, Clinton etc, etc. Two evil men of the same cloth!!!

This nation needs to return to under God, as it first began.

Sincerely
