This makes 3 cards in a couple of weeks. I'm really sick of your programming. I got up this morning and you had a liberal on who had worked for Marion Luoma (sp) and then piece of crap, Jackson + now and your schedule announced more of the same. Jackson just pits one race in group against another so he can feed his ego and have a job. To hell with keeping America divided - like he does.

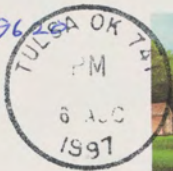

So, as I said, I just flip you off of late since you are becoming a CBS-ABC-NBC. Where is equal time? When you began your 3 phone system you became a piece of crap.
