Dear C-Span,

ATTN: RUSSIAN NEWS

It is one of the highlights
of my senior citizen day
to look forward to
hearing the Russian News
cast. I enjoy it very
much.

I would enjoy it even
more if I could hear some
of the original soundtrack.
I appreciate the English
translations, but wish
the volume on the
Russian was not completely
turned down.

I would appreciate
about 30% volume on

the Russian sound
and 70 % on the
English -

Sometimes there are
great sounds that I
am sure I am missing.
I want to hear all
that street noise and
music etc. and hear
the original voices
well enough to be able
to understand part of it.

I congratulate your
English translators. I
appreciate benefiting from
their training and
very nice voices.

I do hope you will
try this 30/70 %

Sincerely,
