

C-SPAN — Cullenm Call August 30, 1994  
-IN

On this morning's 8am program about Cuba: I Clicked off after the first four callers, who were Clinton bashers. Once again, it is necessary to say that C-SPAN Call-in shows are nothing more than a vehicle for right-wing haters. You've got to do something to encourage more balance. Please figure this out! The more the right-wing "owns" your interview programs, the more we moderates and liberals abandon those C-SPAN programs. —
