Dear Producers;

SHAME ON YOU! Again,
this morning, two PRO-CHOICE
women! You NEVER have two PRO-
life women - OR two PRO-life
anyone! Why do you continue to
do this? Could it be your BIAS is
showing? You go to such great
pains to provide both sides of the
arguments which I admire,
appreciate and enjoy - but why
on the abortion issue do you in-
sist in giving a forum to an
organization such as WISH list?
Close by, you have Family Research

Council, Concerned Women, National
Right to life, March for life,
various pro-life congress people,
etc. I am doing your work for
you! Call them! They would love
to present the pro-life side of
the issue in contrast to the
Emily's list woman. Why is
this so hard?

Come on, CSPAN! There's no
excuse — it must be intentional,
no other reason for it!
