C-SPAN:

No, we couldn't be there
physically to "stand in the
gap" but thanks to C-Span
we watched all 6+ hours!
Praise the Lord!

What an encouragement it
was to see so many men
declaring, renewing,
promising and even
weeping...

We love Jesus and
what he's done for us...
and we love you and the
testimony we have generated
through this C-SPAN vehicle.
