

I have news for Pres. and
Mrs. Clinton :

Adultery usually leads to
divorce.

C-Span - You're to a rudderless

the greatest.

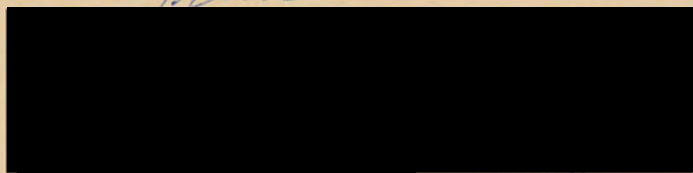

This was published in "The Sun News" & "The Bulletin" in Las Cruces - under Letters to the Editor. I received many calls in agreement - Margaret Hoover. Families lead to which lead to crimes. I have all the money but education but strong, caring, our education will not improve.

I would say to Mrs. Clinton that it takes a family not a village to raise the children.

I have news for Pres. and
Mrs. Clinton :

Adultery usually leads to
divorce.

Divorce leads to a rudderless
family.

Rudderless families lead to
school dropouts, which lead to
drug abuse and crime.

We can throw all the money
in our country at education but
until we have strong, caring
families, our education will not
improve.

I would say to Mrs. Clinton
that it takes a family, not a
village to raise the children.
