Dear Mr. Lamb

The service that C-SPAN provides is outstanding. It's still hard to believe that Congress would permit the taxpayers to see and hear Congress in action. They waste a lot of time in the process of doing business.

I'm writing to suggest a programming change. While the House of Representatives is waiting to vote on a resolution or bill you have about a 15 minute dead period.

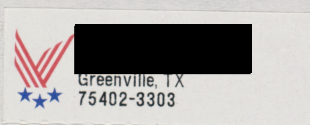

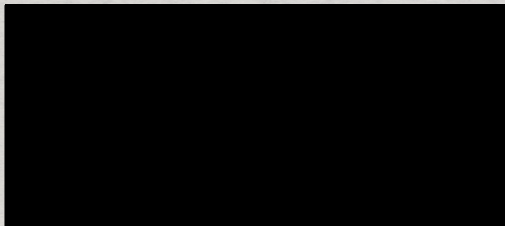

Use the time to:

- a) update us on other activities in Congress, or,
- b) educate the public on how government operates or how bills are passed, or,

c). other information your reviewers  
may suggest.

Thanks
