Dear Staff of C-SPAN Networks,

I look forward with eagerness to the programming available to us on the C-SPAN Networks. I feel that I have grown from being exposed to the guests on the telephone - call-in programs as well as hearing the opinions of those calling in. Journalists Roundtable is great!

The committee hearings have truly opened my eyes to some of the things going on in government which have surprised me greatly. As a result I have kept in contact, on a more regular basis, with people I have voted for as Senator and Representative from my area.

Enjoying the coverage also of breaking news stories as well as regular features such as BOOKNOTES.

The largest part of my television
viewing hours is spent with
C-SPAN and I am so pleased
that it is available to us. You
can bet I highly recommend it
to my friends.

Please keep up the good
work and know that it is appreciated.

Sincerely,
