Igor C-SPAN -

HELP! I am devoted To Brian Lamb's "Booknotes." I watch it on the weekends. I've been looking for weeks to see Brian's interview with Tom Brokaw on his 2nd Book - "The Greatest Generation Speaks." Have I missed it? Please tell me when you will air or repeat the show!! As a Vet of WW II it would mean a lot to me. Brian is the very best. No one can interview an author as perfectly as Brian! Please help me! Sincerely,

Carmel, CA 93922-3067
